Togs:

Swimmers are reminded that although we don't insist that swimmers wear Qld Togs they must wear dark colour e.g. navy or black not bright, or multi coloured togs.

Clothing.

For badges and caps, swimmers should see Julie Ellis. **Found:** A Met North towel, thongs and umbrella.

All Age Relay Swimmers

Those swimmers in either the boys or girls teams that received a medal that did not have the event information on the back, can collect this from team managers today.

CONGRATULATIONS!

On behalf of all the Qld Team Managers, we would sincerely like to congratulate all members of our Queensland Schools' Swimming Team.

It is an honour to represent your state, school and family at an event such as this. It is our understanding that most competitors have at the very least registered PB's in their events with the majority competing in finals and many of our swimmers achieving placings.

Congratulations on your fantastic accomplishments. Achievements, memories and friendships that you have experienced this week are everlasting. We hope that you all have taken the opportunity to make connections with someone from another state or with fellow team members. Don't make the mistake of creating a world only of competition; life is about balance, having fun and being focused at the same time.

Thank you also to parents and coaches for your co-operation throughout the meet. We have enjoyed working with you.

Let's make our final day of competition about showing what it means to be a **QUEENSLANDER!**
