Nomination Names: Any change to the nominated names must be presented to the official recorder 30 minutes before the start of the event on a copy of the nomination form with the changes highlighted. It is not necessary to send individual swimmer name changes to Glenda Price.

Nomination Times: To enable seeding of the heats, schools are advised to enter nomination times in the cell provided, on the nomination form. Nomination team times can be calculated by adding the four individual swim times for that relay team. Failure to submit a nominated time may mean the team is placed in an outside lane or slower heat.

Officials: Our committee is seeking the support of any teachers or parents to act as officials for this relay carnival. Participating schools **must provide one official** other than their team management, **for the duration of the carnival**. Please indicate the name of your school's official on the bottom of the nomination form. **One official's pass** and **one manager's pass** will be issued to each school for entry, prior to the carnival.

Nominations will not be accepted from schools that do not provide an official.

Thanking for your continued support,

Queensland Primary School Swimming
